

Absence Management

Intelligently designed and built in the USA

Easy clocking offers a unique and powerful solution to getting the most value out of managing your employee times. Streamline your PTO and simplify the absence management of your employees. No more forms, no more cumbersome paper documents, join the Easy Clocking Cloud revolution! Enable your staff the ability to request time-off and gain the ability to approve or deny requests from anywhere with internet access.

- **Time Off Configuration Wizard** - Our configuration wizard allows you to easily set up your time off types, accrual rules and scheduled vacation time.
- **Accrual and Balance Calculations** - Define rules and formulas that take care of accrual calculations, end of year resets, overdraw limits and much more...
- **Employee Self Service Portal** - Empower your staff and easily allow employees to view available time off, make time off request and instantly see manager approvals or denials.
- **Real Time Reporting and Insights** - See absenteeism trends. Report on anything with just a few clicks of a button.
